Dickinson Law Classes Over the Years

AUGUST 30, 2018 BY PAMELA G SMITH

185
YEARS
1834 | 2019

Classes for the Fall 2018 semester are in full swing. Today, we look back at other students in classes over the years, including some photos of students with computers. (Yes, those are computers. Take note of the Lexis terminal. Class of 2021 – imagine researching the law on that!) As you can see from this post, many of the photos in the Law School's Archives Collection are undated. See if you can guess the year in which those photos were taken. If you happen to recognize when a photo was taken, please let me know so that I can update our Collection!

Class in Emory Hall

This desk used by early students is still in the Law School Archives Collection.
